## Founder's Message

Our Vision is to elevate New Public College to a global ranking and train our generation to become asset to the Nation. We have a motto and

have set goal to develop dynamic and vibrant academics through our educational centre to encourage education for total society because I believe that the transformation of India from a developing Nation to a developed one has to be knowledge driven. I have designed a unique curriculum keeping in the mind the latest needs of society as well as the changing needs of National trends because the most effective kind of education is not to teach but to mould the personality.

## Director's Message

CA Krishna Agarwal

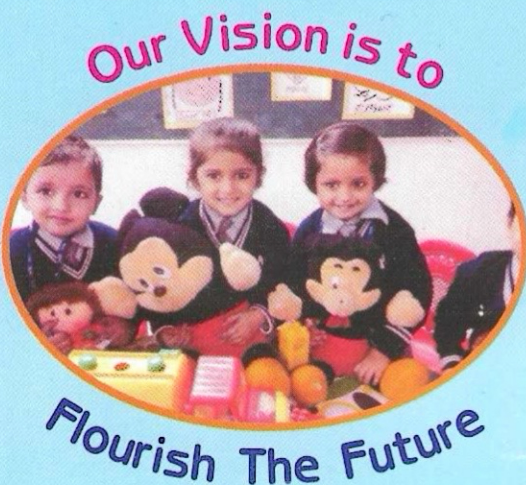

New Public College is a self-motivated educational institute offering highest standard of quality education to the students across Lucknow. It has a rich history of more than 35 years and was established to impart high quality education to the

society.

We are building our school around the theme 'Every child is special'. So we give adequate attention to the strengths of every child with an opportunity to grow in that particular direction.

We provide a platform to the students to think, express and exhibit their talents and prepare them for life, groom them to face the challenges and encourage them to be socially responsible.

We believe that every child is a greatest gift of God so it matters not what someone is

*Born but what they  
Grow to be.*
